UNLOCK A HEALTHIER YOU WITH AFFORDABLE HEALTH SCREENING AT CENGILD G.I. MEDICAL CENTRE

by ANGELA ANNIE

When we are too busy with work, we tend to neglect our health. But did you know that early detection can make a huge difference in the quality of your treatment and overall health? It is recommended to get a health screening every six months.

At Cengild G.I Medical Centre, they offer different screening packages to suit your needs:

1. Health Wellness Packages

These packages are designed to help you maintain a healthy and fulfilling life. By detecting potential health issues early, you can take proactive steps to prevent diseases.

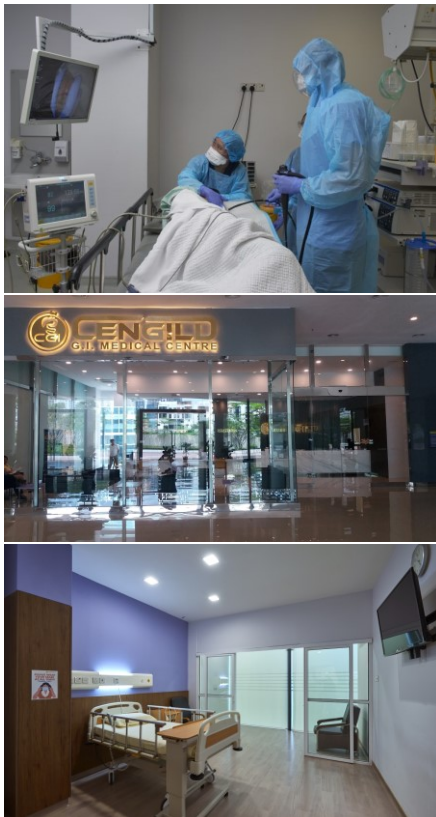

2. Digestive Wellness Packages

A healthy gut is the foundation of good health. Cengild's digestive wellness packages are here to ensure your gut is in top shape, promoting overall well-being.

3. Cardiac Screening Packages

Your heart is a vital organ, and it deserves special attention. Cardiac screening can be a lifesaver. It identifies those at risk of heart and other organ-related issues. Plus, it highlights modifiable risk factors that can be reversed, reducing the chances of heart problems.

Each category offers various packages tailored to your specific needs, so you can choose what suits you best. Prices may vary, but your health is priceless. Prevention is indeed better than cure. So, if you're in Kuala Lumpur, don't forget to schedule a health check with Cengild G.I. Medical Centre. Your well-being is our priority, and we're here to help you stay on the path to a healthier, happier life!

ACHIEVE CONFIDENCE, BEAUTY AND HEALTHIER SKIN WITH DR.KO® SKIN SPECIALIST

If you're considering visiting a skin specialist for more professional help, why not drop by DR.KO® Skin Specialist who has been around the industry for 25 years.

DR.KO® Skin Specialist Backstory

Aiming to help people with skin diseases by offering quality, innovative, and up-to-date dermatology and medical aesthetic treatment, DR.KO® Skin Specialist was founded in 1997 by Dato' Dr Ko Chung Beng, a Consultant Dermatologist who obtained his qualification credentials from the UK and locally.

DR.KO® Skin Specialist has become one of the pioneers in Malaysia's medical aesthetic industry. Backed by his specially curated team of professionals, this little clinic has grown into one of the largest skin and laser centres in Asia with 52 clinics across the country, including 4 clinics in Indonesia.

In fact, it also has been recognized as the Largest Skin and Laser Centre in Malaysia by the Malaysia Book of Records.

Diverse Treatment For Your Beauty Needs

DR.KO® Skin Specialist dedicates full attention to their patient's concerns, providing honest opinions on treatments through the latest medical and cosmetic dermatology findings, aesthetic treatments, and holistic experiences so that patients are constantly satisfied with their services.

Their comprehensive treatment includes dermatology, aesthetic medicine, hair restoration, cosmetic surgery, orthopaedics, and weight management.

More Than Just a Skin Clinic

With the growing customer demand and making it easier for them to access, Dato' Dr Ko and his teams also developed professional skincare ranges that are clinically proven and trusted by dermatologists.

Specifically tailored for the local skin condition, there are 4 pillars of the full skincare range, which are Dermalmax, Ko Dermalcare, Ko Perfect, and 3 Series to address clinical indications of ageing, acne, pigmentation, and other skin issues.

Staying True to Customers

ENHANCE YOUR EYES AND BEAUTY AT DRS EYE AESTHETIC SPECIALIST

by ANGELA ANNIE

The eyes are today's aesthetic focal point, hence why everyone would want to improve their eye appearance by greatly reducing puffy or baggy eyelids, fine lines, and wrinkles with cosmetic eye services.

DRS EYE AESTHETIC SPECIALIST provides a number of eye aesthetic treatments that can actually provide a radiant and natural-looking attractiveness, reviving our appearance and our sense of well-being.

DRS Eye Aesthetic Specialist is a legitimate aesthetics facility that is officially registered with the Malaysian Companies Commission under the name '*Pusat Estetik*'.

The procedures that they offer are EGF, HEXA (Argireline), Nose Lift, and NewGen Eyelid. EGF stands for Epidermal Growth Factor which promotes epidermal cell renewal and is derived from a natural source. Next, HEXA (Argireline) helps in reducing the appearance of dynamic wrinkles as well as relaxing the muscles.

For Nose Lift, it is considered a minimally invasive surgery where there will be no stitches on the nose as they use the PCL protein line, which is more durable than the general market thread.

However, the NewGen Eyelid Lift puts away the excess eyelids and ties them together with the eye muscle. This procedure is a non-surgical procedure and it is minimally invasive with zero traces.

After each procedure, there are follow-up sessions with the patients after the treatment as well. This is to ensure that the patients are in good condition during the recovery period.

DRS Eye Aesthetic Specialist has two doctors which are Dr. Lee and Dr. Tham, with more than 10 years of experience in Beauty and advanced aesthetics and are qualified professional aestheticians. The doctors are highly qualified professionals who either already specialize in general practice or are in the process of doing so.

They have participated in various advanced aesthetics training programs on a national and international level, which helps them stay current on the most recent technological advancements, treatments, and industry best practices. They also provide a great experience and excellent service so that their patients would feel safe and reassured during procedures.

Besides, the ambiance of their clinic is relaxing and comfortable as well to ease the patients' worries.

Revitalize and rejuvenate your eye today by visiting this cosmetic treatment center called DRS EYE AESTHETIC SPECIALIST!

The dentist would also take care of their patients and encourage them to get on board with a healthy lifestyle routine of managing their own teeth.

The friendly staffs at this clinic are also efficient and attentive to attending to the patient's needs as well.

Besides that, the ambiance of the clinic is relaxing and comfortable as well, with ample seats for everyone to sit as they wait.

Coming to Klinik Pergigian Bangsar is the best alternative for you at a cheaper price compared to other private clinics. If you are planning to go to a dentist, this is the best place to go!
